MUNICIPALITY OF CHATHAM-KENT

CORPORATE SERVICES

FINANCIAL SERVICES

TO: Mayor and Members of Council

FROM: Gord Quinton, BA, CGA

Acting Director, Financial Services / Treasurer

DATE: September 6, 2013

SUBJECT: 2012 Audited Financial Statements

RECOMMENDATION

It is recommended that:

1. The audited financial statements for the year ended December 31, 2012, be approved.

BACKGROUND

Under section 286 of the <u>Municipal Act, 2001</u>, Finance is responsible for payments and collections, for record keeping, for investments and for providing Council with financial information. All financial statements are prepared by Municipal staff. The Auditor reviews these statements to ensure compliance with legislation, regulations and accounting standards.

Since its inception, the Municipality of Chatham-Kent has had its financial records and its financial control systems audited annually by an independent firm of external auditors appointed under contract by Council. The senior audit partner meets directly with the Audit Policy Committee in closed session at least annually, with Municipal staff absent, to obtain comments and instructions. In addition to the standard audit report, the auditor conducts extra tests and examinations based on the Audit Policy Committee's concerns. Results of the audit are shared directly with the Audit Policy Committee and ultimately the statements are approved by Council in this report.

As well as investigating specific Council concerns, the external auditors' objectives are to:

- Obtain assurance that the financial statements are free of material misstatement
- Evaluate the fairness of presentation of the financial statements in accordance with local government accounting standards established by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants (CICA)
- Report to administration and to Council on:
 - significant internal control weaknesses
 - errors noted during the audit
 - any matters the auditor believes should be disclosed

Other statutory financial audits that can occur include:

- Canada Revenue Agency (CRA) audits of employer statutory remittances
- CRA audits of GST/HST returns
- Ontario Retail Sales tax audits
- Ministry Program specific audits

The Municipality also engages GST/HST/Retail Sales tax specialists for non-statutory audits to ensure the proper amount of federal and provincial sales tax is charged or claimed. An annual credit rating is also conducted¹.

Copies of the draft audited financial statements are attached as Appendix "A" and a final signed version will be presented on the municipal website once approved by Council. A synopsis of the financial results will be published in local papers following acceptance of this report (section 295.1, <u>Municipal Act</u>).

Financial statement information is prepared using information from the Financial Information Return (FIR) which is a statutory report filed with the Ministry of Municipal Affairs and Housing annually. Copies of the FIR and financial statements are available on request, free of charge (section 295.2, <u>Municipal Act</u>).

COMMENTS

The external auditor has concluded a review of the records of the Corporation and has issued an unqualified audit opinion on the basis of this review. This means that there were no significant internal financial control weaknesses or material errors noted during the audit.

¹ Standard & Poors conducts an annual financial review and ranks the Municipality in accordance with its findings. Chatham-Kent currently has a rating of A+ with a stable outlook. Contributing factors were the "budget performance, manageable debt and satisfactory liquidity". (September 6, 2013)

Audit Policy Committee

The Audit Policy Committee met on September 5, 2013 with the Audit Partner and Lead Auditor from Deloitte and received the Year-End Communication Report detailing their findings. The committee reviewed the financial statements in detail. The committee passed the following motion:

That the Audit Policy Committee receive the 2012 Audited Financial Statements and recommend the approval of the statements to Council.

Reported 2012 results

The following are additional comments regarding the financial statements.

This excerpt from the Consolidated Statement of Operations and Accumulated Surplus (see page 4 of the financial statement attachment) lists the total revenues, expenses, and the resulting excess revenues over expenses.

	2012	2011
Revenues	\$305,332,389	\$315,955,787
Expenses	\$293,131,477	\$285,589,562

Income from subsidiary	\$2,917,305	\$1,989,83 <u>5</u>
Excess revenues over expenses	\$15,118,217	<u>\$32,356,060</u>

The Municipal 2012 year-end cash basis surplus is \$3,031,075 (\$289,501 in 2011). Budget and Performance Services will provide in a separate 2012 final variance report where the surplus originated and recommendations on its use. This figure is included as part of the \$15,118,217 (\$32,356,060 in 2011) excess revenue over expenses reported on the Consolidated Statement of Operations and Accumulated Surplus. The \$15 million surplus (under the new accounting rules introduced in 2009) is calculated using accrual accounting. Previously, under modified cash accounting, investments in bridges and roads etc. were written off immediately against in-year surpluses. Under accrual accounting, the cost of capital assets is to be written off against tax revenues over the useful life of the asset. Some of the assets have a useful life of 50+ years. This results in amortization expense much less than expensed over the cash requirements for replacement. For this reason there will usually be an annual surplus in the operating statement. The following table indicates the relation between the \$15 million accrual accounting surplus in the financial statements to the \$3 million surplus as per the balanced cash budget approved by Council during the 2012 budget deliberations.

	2012	2011
Accrual basis surplus as per Financial Statements	\$15,118,217	\$32,356,060

Total Municipal and PUC expenses, excluding hydro operations, in 2012 were \$293,131,477, (\$285,589,562 in 2011). Entegrus Inc. (formerly CK Energy) is audited separately and is not consolidated in this report.

The attached consolidated municipal financial statements include the PUC (Water/Wastewater), the Library, Museums, Board of Health and Police Services Board, along with all other municipal services. Separate audits for the Public Health Division, Library, Federal Gas Tax expenditures, Long Term Care and Transfer Payment Annual Reconciliation (Social Services) were also prepared for grant purposes and are available on request. One time special audits are done as required for grant or loan purposes. Municipal trust activities are audited separately. Entegrus Incorporated and subsidiary financial results are reflected in separate statements. The net income of these operations is incorporated in the municipal financial statements as "Income from Subsidiary" and "Investment in Entegrus Inc."

The following excerpt from the Consolidated Statement of Financial Position (see page 3 of the financial statement attachment) lists the total assets, liabilities, and the resulting accumulated surplus.

	2012	2011
Financial assets	\$177,538,979	\$164,029,172

Accumulated Surplus

The new financial statement format along with recording the tangible capital assets in the statement results in a \$789,538,276 accumulated surplus for 2012. The accumulated surplus represents Chatham-Kent's net financial position. This figure consists of the net investments in tangible capital assets, the investment in Entegrus Inc., accumulated fund balances, and reserves (now part of surplus), less amounts to be recovered in the future. This figure represents the Municipality's ability to meet the current and future needs of the community. Note 12 (see page 17 of the financial statement attachment) lists the various allocations of surplus.

Some of the significant items included in the accumulated surplus are detailed below.

<u>Invested in tangible capital assets</u> is the net investment in tangible capital assets of the Municipality less any outstanding debt related to this investment. The following excerpt from note 11 (see page 16 of the financial statement attachment) lists the net book value of Chatham-Kent's assets.

	2012	2011
Land and land improvements	\$52,823,682	\$47,576,588
Buildings	\$141,032,930	\$132,197,181

Total tangible capital assets	<u>\$821,496,634</u>	<u>\$830,632,167</u>

<u>Entegrus Inc.</u>, <u>net equity</u> is the Municipality's 90% share of the 2012 Entegrus Inc. net income of \$3,241,450 (\$2,210,928 in 2011) plus the value of the shares and long-term note payable to the Municipality for consideration of the original transfer of net assets to Entegrus².

<u>Reserves and Reserve Funds</u> are the reserve balances at year-end. A breakdown of Reserves and Reserve Funds is attached as Appendix "B". A more comprehensive breakdown of Reserves and Reserve Funds will be included as a separate report to Council prior to budget deliberations. Also see Note 12 of the audited financial statements. Reserve balances include amounts encumbered.

<u>Unfunded</u> are for items that are not required to be funded by current accounting regulations, but represent a future cost to the Municipality that financial statement readers should be aware of, and are required to be reported by PSAB regulations. The required disclosures include:

- Post-employment benefits such as life insurance and medical benefits that will be incurred and will potentially be due at some future time. The discount rate used by the actuarial consultant in determining the net present value of future benefits was 3.75% (4.5% in 2011)
- Estimated future liabilities as provided by Workplace Safety & Insurance Board

² The value placed on Entegrus securities is based on cost and may not reflect market values.

	2012	2011
Service Revenue	\$106,258,273	\$101,219,653
Cost of Power	\$88,648,371	\$83,785,228

Retained Earnings (End of Year)	\$17,074,798	\$16,293,348
Dividends Paid to C-K	\$2,214,000	\$2,088,000
Dividends Paid to Corix Utilities	\$246,000	\$232,000

- Staff vacation credits that have been earned but not taken at year-end
- Interest on long-term debt accrued but not paid by year-end

A detailed breakdown of these future obligations to be funded by tax dollars is found below:

	2012	2011
Employee future benefits	\$21,261,199	\$19,780,058
WSIB obligation	\$2,850,314	\$3,022,412
Vacation pay	\$2,954,748	\$2,625,519
Total unfunded employee future benefits	\$27,066,261	<u>\$25,427,989</u>
Interest on long-term liabilities	\$988,385	\$1,115,619

The Municipality provides funding for these liabilities through the budget process in the year of disbursement.

Long Term Liabilities

Net long-term liabilities are the balances of debentures outstanding. Notes 8 and 9 (see page 14 and 15 of the financial statement attachment) provide details of the long-term liabilities. Debenture detail is provided in figure 1; there were no new debt issues in 2012. The "Funded By" columns identify the sources of future funding to service the debt payments. The tax funded obligation is currently approximately \$23 million.

Development Charges Act

Under section 43 of the <u>Development Charges Act, 1997</u>, the Treasurer is required to give Council a statement of activity for the Development Charges Reserve Fund. Figure 2 is a summary of the fund activity.

Budget Figures

Budget figures provided as part of the <u>Consolidated Statement of Operations and Accumulated Surplus</u> (see page 4 of the financial statement attachment) do not reflect the balanced 2012 Budget as approved by Council for the following reasons:

- Capital projects benefiting and assessed to landowners and developers, such as water, wastewater, drainage and sidewalks / curb and gutters are not part of the annual budget process and are shown as a local improvement receivable on the Statement of Financial Position
- Capital projects for industrial lands are not part of the budget process and are shown as land held for resale in the Statement of Financial Position
- Under PSAB standards, transfers to/from reserves/capital are not considered as a source of expense/revenue for Municipal activities and are not included in the financial statement budget
- Amortization expense is not included in the Council approved budget as it does not require cash, but is included on the financial statement budget
- Cash raised for the purpose of building or improving tangible capital assets is
 included as revenue in the Council approved budget and the expenditure of
 building the asset is included as well. However, in the financial statements,
 only the revenue budgets (taxes, user fees, grants) are included as the
 expenditure is an asset amortized over the life of the asset.

Public Utilities Commission

PUC operations are integrated into those of the Municipality. Its activities are audited along with municipal operations. Separate financial statements are prepared and presented annually to the Commission. A summary cash basis statement for 2012 is presented below along with the 2011 comparison.

Municipal Leasing

Under regulation 266/02 of the <u>Municipal Act</u>, Council established a financial leasing policy by which the Treasurer shall report annually to Council the impact on municipal finances of financial leases.

Financial leases are a form of indebtedness that if material, can impact on the municipal annual debt repayment limit.

Under the leasing policy:

Section 1. Any lease or cumulative group of leases that exceeds a term of one year that is entered into by the Municipality, being in effect at any one time, shall be considered material if collectively all leasing payments incurred in any calendar year exceeds 2% of the Municipal Annual Debt Repayment Limit as determined by the Treasurer.

Once the 2% limit has been exceeded all leases subsequently entered into by the Municipality shall be considered material.

- Section 3. Leasing done for any of the following reasons with a lease term exceeding, or expected to exceed, one year shall be considered a "reportable" lease for the purpose of this policy:
 - · Capital items leased as a form of financing
 - Like equipment with a leased value exceeding \$10,000 annually
 - Goods or services only available through lease where collectively lease payments exceed \$20,000 annually
 - Leases entered into following a buy verses lease analysis for any property and for any amount

Where, in the opinion of the Treasurer, a lease meets the criteria under this policy as "reportable" or, where the Director of Legal Services considers a lease reportable for any other reason, Council reports dealing with leasing shall be reviewed and commented on, in the body of the report, by the Treasurer and (as appropriate) by the Director of Legal Services.

Materiality Calculations	
Annual Debt Limit (December 31, 2012)	³ \$29,076,879
2% of this limit (established by policy)	\$581,538
Financial Lease Payments 2012	
Fleet	\$201,354
Copiers	\$136,058
Total	\$337,412

The Municipality does not often use financial leases, as the cost of other forms of indebtedness is more advantageous. Because 2012 financial lease payments are less than 2% of the annual repayment limit established by the Province under regulation 403/02, the value of the leases is not considered material under the financial leasing policy and therefore, will not be deducted from the municipal annual repayment limit for 2012.

CONSULTATION

Prior to finalization of the published statements, all departments reviewed their respective areas. The external auditor has concluded a review of the records of the Corporation and has issued an unqualified audit opinion on the basis of this review. This means that there were no significant internal financial control weaknesses or material errors noted during the audit. The Audit Policy Committee has reviewed the statements.

FINANCIAL IMPLICATIONS

The accumulated Municipal surplus of \$3,031,075 will be addressed in a separate Budget & Performance Services report to Council. The cost of the external audit is part of the approved annual budget.

The audit is performed annually in accordance with Section 296 of the <u>Municipal Act</u>. As part of this review, the Auditor:

- Reviewed the accounts and transactions of the Municipality and expressed an opinion.
- Performed duties as required under the <u>Municipal Act</u> and as directed by Council.

A Request for Proposal for Auditing Services was awarded in 2008. The 2012 audit was the fifth in a five year term.

Independent Auditor's Report

To the Members of Council, and the Citizens of The Corporation of the Municipality of Chatham-Kent

We have audited the accompanying consolidated financial statements of The Corporation of the Municipality of Chatham-Kent, which comprise the consolidated statement of financial position as at December 31, 2012, and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of The Corporation of the Municipality of Chatham-Kent as at December 31, 2012 and the results of its operations, changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matter

Without modifying our opinion, we draw attention to budget figures which are provided for comparative purposes only. They have not been subject to audit procedures. Accordingly, we do not express an opinion on budget figures.

Notes to the consolidated financial statements December 31, 2012

1. Significant accounting policies

The consolidated financial statements of The Corporation of the Municipality of Chatham-Kent (the "Municipality") have been prepared by management in accordance with Canadian public sector accounting standards. Significant aspects of the accounting policies adopted by the Municipality are as follows:

Basis of consolidation

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity and include the activities of all committees of Council and the following local boards and municipal entities which are under the control of Council:

- Chatham-Kent Public Libraries:
- Chatham-Kent Museums:
- Public Utilities Commission for the Municipality of Chatham-Kent Water / Wastewater Division;
- · Chatham-Kent Police Services Board; and
- Chatham-Kent Board of Health.

All interfund assets and liabilities and revenues and expenses have been eliminated with the exception of loans or advances between reserve funds and any other fund of the Municipality and the resulting interest income and expenditures.

Subsidiary

Entegrus Inc. is accounted for on a modified equity basis, consistent with the generally accepted accounting treatment for government business enterprises. Under the modified equity basis, the business enterprise's accounting principles are not adjusted to conform with those of the Municipality, and inter-organizational transactions and balances are not eliminated.

Accounting for school board transactions

The taxation and other revenues with respect to the operations of the school boards are reflected in the Consolidated statement of operations and accumulated surplus, but with no effect on Municipal Fund balances since the total is shown as a deduction.

In addition, the expenses, assets and liabilities with respect to the operations of the school boards are not reflected in these financial statements except to the extent that any overlevies are reported on the Consolidated statement of financial position as "other current liabilities".

Trust funds

Trust funds and their related operations administered by the Municipality are not consolidated, but are reported separately on the Trust Funds Statement of continuity and Balance sheet.

Basis of accounting

The consolidated financial statements are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable, and expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Notes to the consolidated financial statements December 31, 2012

1. Significant accounting policies (continued)

Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of an asset. The cost, less residual value, of the tangible capital asset is amortized on a straight-line basis over the estimated useful life as follows:

	Years
Land improvements	20-50
Buildings	15-40
Equipment	4-30
Vehicles	5-20
Underground linear	30-75
Plants and facilities	20-40
Bridges	50-75
Transportation	15-50
Other assets	5-10

Amortization is charged beginning in the month the asset was available for productive use and to the month of disposal. Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets received as contributions are recorded at their fair market value at the date of receipt and also are recorded as revenue.

Works of art, artifacts, cultural or historic assets are not recorded as assets in the financial statements.

Land held for resale

Land held for resale is recorded at the lower of cost and net realizable value. Costs include amounts for land acquisition and improvements to prepare the land for sale or servicing.

Government transfers

Government transfers are recognized in the financial statements as revenues in the period in which the events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amounts can be made.

Investment income

Investment income earned on surpluses, reserves and reserve funds (other than obligatory reserve funds) are reported as revenue in the period earned. Investment income earned on obligatory reserve funds is added to the fund balance and forms part of deferred revenue.

Management estimates

The preparation of these financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Employee future benefit obligations

The cost of future benefits earned by employees is actuarially determined using the projected benefit method prorated on service and assumptions of mortality and termination rates, retirement age and expected inflation rates.

Actuarial gains and losses are amortized linearly over the Expected Average Remaining Service Lifetime (EARSL) of active employees.

Notes to the consolidated financial statements December 31, 2012

2. Investment in Entegrus Inc.

Entegrus Inc. and its wholly-owned subsidiaries, Chatham-Kent Hydro Inc. and Chatham-Kent Utility Services Inc., were incorporated September 22, 2000 under the Business Corporations Act (Ontario).

CKE also has a wholly-owned subsidiary, Middlesex Power Distribution Corporation, which it purchased 100% of the outstanding common shares on June 30, 2005.

Effective January 1, 2012 CKH and MPDC amalgamated to continue as Chatham Kent Hydro Inc. Effective January 19, 2012 the names of CKE and its wholly-owned subsidiaries were amended as follows:

Former name

Amended name

Chatham-Kent Energy Inc. Chatham-Kent Hydro Inc. Chatham-Kent Utility Services Inc. Chatham-Kent Transmission Inc. Entegrus Inc. ("the Company") Entegrus Power Lines Inc. ("EPI") Entegrus Services Inc. ("ESI") Entegrus Transmission Inc. ("EFT")

Entegrus is owned 90% by the Municipality of Chatham-Kent and 10% by Corix Utilities.

The principal activity of Entegrus and its' subsidiaries is to distribute electricity to customers within the Municipality of Chatham-Kent, Middlesex County and the County of Elgin under the license issued by the Ontario Energy Board ("OEB"). Other activities of Entegrus, and its subsidiaries, are to provide energy services, meter services, and street lighting services.

Under a municipal by-law, dated September 5, 2000, the former Public Utilities Commission of the Municipality of Chatham-Kent – Electrical Division and the Municipality transferred the assets, liabilities and employees associated with the distribution of electricity at book value effective October 1, 2000. The book value of the net assets transferred to CKE at October 1, 2000 was \$47,379,124. In consideration for the transfer, CKE issued long-term notes payable to the Municipality in the aggregate principal amount of \$23,523,326 together with shares valued at \$23,855,798.

The incorporation and subsequent reorganization was required by provisions of Bill 35, *The Energy Competition Act, 1998* enacted by the Province of Ontario to introduce competition in the electricity market.

In 2008 CKE issued 222 common shares to Corix which represents a 10% ownership.

3. Notes receivable

Notes receivable are due from Entegrus Inc. with no set repayment terms and interest payable monthly at 5.87%. Prior to January 1, 2011, the interest rate on this note was 7.04%. The Municipality received an interest payment in the current year of \$1,380,819 (2011 - \$1,382,634).

4. Trust funds

Trust funds administered by the Municipality amounting to \$4,887,014 (2011 - \$4,729,837) have not been included in the Consolidated statement of financial position nor have their operations been included in the Consolidated statement of operations and accumulated surplus.

5. Accrued employee benefits

The Municipality has accrued employee benefits as follows:

	2012	2011
	\$	\$
Employee future benefits	22,036,990	20,567,697
Workplace safety and insurance obligations	2,850,314	3,022,412
Vested sick leave	58,081	57,700
Vacation credits	3,486,517	3,100,829
	28,431,902	26,748,638

The accrued benefits above are described as follows:

(a) Employee future benefits

The Municipality pays certain medical and life insurance benefits on behalf of its retired and current employees. The accrued benefit liability at December 31, 2012 of \$22,036,990 (2011 - \$20,567,697) was determined by actuarial valuation using a discount rate of 3.75% (2011 - 4.5%).

Information about the Municipality's life and health plan is as follows:

Accrued benefit liability as at January 1, 2012	20,567,697
Expense for the period	2,416,123
Benefits paid during the period	(946,830)
Estimated accrued benefit liability as at December 31, 2012	22,036,990

The main actuarial assumptions employed for the valuation are as follows:

(i) General inflation

Future inflation levels, as measured by changes in the Consumers Price Index ("CPI"), were assumed to be 2.5% in 2012 and thereafter.

(ii) Interest (discount) rate

The present value as at December 31, 2012 of the future benefits was determined using a discount rate of 3.75%. The expense for the year ended December 31, 2012, was determined using a discount rate of 4.50%.

\$

Notes to the consolidated financial statements December 31, 2012

5. Accrued employee benefits (continued)

- (a) Employee future benefits (continued)
- (iii) Health costs

Drug costs were assumed to increase at 8.5% per year grading down to 3.5% over 10 years.

(iv) Dental costs

Dental costs were assumed to increase at 3.5% annually.

(b) Workplace safety and insurance obligations

Effective January 1, 2010, the Municipality became a Schedule I employer under the Workplace Safety and Insurance Act for most of its divisions. The Municipality remits payments to the Workplace Safety & Insurance Board (WSIB) as required to fund and administer disability payments.

For the period of January 1, 2001 to December 31, 2009, the Municipality was a Schedule II employer for most of its divisions. The estimated future liability relating to WSIB for this time period amounted to \$2,850,314 (2011 - \$3,022,412) and an accrual has been booked for 2012. A Workplace Safety and Insurance Reserve relating to Schedule II claims has also been established to protect against any unknown future liability, and has a balance of \$780,365 (2011 - \$673,969). The Municipality also maintained an insurance policy, which protects the Municipality against financial exposure to a catastrophic loss in excess of \$1,000,000 while Schedule II was in place.

(c) Vested sick leave

Under some of the pre-amalgamation municipal sick leave benefit plans, unused sick leave could accumulate and employees may become entitled to a cash payment when they leave the Municipality's employment. The Municipality has not offered vested sick leave and thus the amounts will no longer accumulate.

The liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on termination, amounted to \$58,081 (2011 - \$57,700) at the end of the year and is reported as an accrued liability on the Consolidated statement of financial position. An amount of \$0 (2011 - \$0) was paid to employees who left the Municipality's employment during the current year.

(d) Vacation credits

Under the provisions of certain employee vacation plans, some vacation credits are earned as at December 31 but are generally unavailable for use until a later date. In addition, the provisions of certain plans allow the accumulation of vacation credits for use in future periods. The approximate value of these credits as at December 31, 2012 is \$3,486,517 (2011 - \$3,100,829) and is reported as an accrued liability on the Consolidated Statement of Financial Position.

Funding for these benefits will be provided through taxation in the year of disbursement.

6. Pension agreement

The Municipality makes contributions to the Ontario Municipal Employees Retirement System (OMERS) which is a multi-employer plan, on behalf of 1,298 (2011 - 1,314) members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Contributions were made in the 2012 calendar year at rates ranging from 8.3% to 13.9% (2011 7.4% to 14.1%) depending on the member's designated retirement age and level of earnings. The amount contributed to OMERS for 2012 was \$7,684,859 (2011 - \$6,832,303) for current service and this is included on the Consolidated Statement of Operations and Accumulated Surplus.

Notes to the consolidated financial statements December 31, 2012

7. Deferred revenue - obligatory reserve funds

A requirement of the public sector accounting standards is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as provincial legislation restricts how these funds may be used and under certain circumstances these funds may possibly be refunded. The balances in the obligatory reserve funds of the Municipality are summarized as follows:

	2012	2011
	\$	\$
For building code act	832,179	334,074
For parkland purposes	153,390	146,365
For Federal gas tax	8,948,460	7,062,998

	52,254,590	46,312,369	33,730,251

- (c) Included in the principal amount in a) is \$9,688,080 (2011 \$10,222,921) related to the Non-Profit Social Housing division.
- (d) All net long-term liabilities on the Consolidated statement of financial position are payable in Canadian dollars.
- (e) The long-term liabilities listed in a) were issued in the name of the Municipality or former municipalities and approved by Council have received approval of the Ontario Municipal Board prior to January 1, 1993. Those issues approved by Council after December 31, 1992 have been approved by by-law. The annual principal and interest payments required to service these liabilities are within the annual debt repayment limit prescribed by the Ministry of Municipal Affairs and Housing.
- (f) Included in the principal amount listed in a) above are three demand loans issued to the Canadian Imperial Bank of Commerce in the amount of \$2,928,415 (2011 \$4,281,278), \$2,423,763 (2011 \$3,546,711) and \$0 (2011 \$325,047), respectively.
- (g) Included in the principal amount listed in a) above is \$100,000 (2011 \$200,000) of a non-interest bearing note payable due to St. Joseph Health Services Association of Chatham. The note has fixed annual payments of \$100,000.

9. Charges for net long-term liabilities

Total activity for the year for net long-term liabilities is as follows:

	2012	2011
	\$	\$
Beginning balance	147,421,960	161,756,882
Principal payments	(15,124,750)	(14,334,922)
Ending balance	132,297,210	147,421,960

Net interest payments related to long-term liabilities in the current year were \$5,900,229 (2011 - \$6,550,069) and are reported in the Consolidated statement of operations and accumulated surplus.

Accrual of interest on net long-term liabilities

A provision for the interest on long-term debt that has been accrued but not paid in the current year is estimated to be \$1,341,671 (2011 - \$1,575,515) and is reported as an accrued liability on the Consolidated statement of financial position.

Notes to the consolidated financial statements December 31, 2012

10. Local improvements receivable

Improvements to infrastructure are often requested by residents, such as extending waterlines, sewers, sidewalks, or curb and gutters to new areas, or repairs and upgrades to municipal drains. The Municipality records the outstanding ratepayer funding of these local improvements as a receivable in the Consolidated statement of financial position.

	2012	2011

Total accumulated surplus	789,538,276	774,420,059

13. Self insurance

In recent years, there have been substantial increases in the premiums charged by the insurance industry for public liability insurance. As a result, the Municipality has undertaken some portion of the risk, which would normally have been covered by outside insurers.

The Municipality is self-insured for property damage claims up to \$100,000 for any individual claim. Outside coverage is in place for claims in excess of these limits.

The Municipality has made a provision for a reserve for self-insurance which as at December 31, 2012 amounted to \$1,320,569 (2011 - \$1,584,887) and is reported on the Consolidated Statement of Financial Position under reserves. The provision for the year of \$720,073 (2011 - \$749,457) has been reported as an expenditure on the Consolidated statement of operations and accumulated surplus and \$0 (2011 - \$191,037) was transferred in from other Reserves.

Claims settled during the year amounted to \$984,391 (2011 - \$845,444) and have been provided from the reserve.

Notes to the consolidated financial statements December 31, 2012

14. Provincial offences administration

The Ministry of the Attorney General requires the following disclosure of all municipal partners administering Provincial Offences Administration. The gross revenues collected at the Provincial Offences Court in 2012 were \$2,376,945 (2011 - \$2,175,207) and net revenue was \$854,959 (2011 - \$737,256).

15. Segmented information

The Municipality provides a diverse range of services to its citizens. The Consolidated schedule of segment disclosure has grouped various services into segments to provide a further breakdown of the revenues and expenses attributable to each segment. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The services included in each segment are as follows:

General Government

General government is comprised of governance, corporate management and program support.

Protection Services

Protection is comprised of fire, police, conservation authority, protective inspection and control, emergency measures and provincial offenses.

Transportation Services

Transportation is comprised of roads, winter control, transit, parking, street lighting and air transportation.

Environmental Services

Environmental is comprised of storm sewer systems, waste collection, waste disposal, and recycling.

Health Services

Health is comprised of public health, hospital support, ambulance and cemeteries.

Social and Family Services

Social and family is comprised of Ontario Works, assistance to aged persons and child care.

Social Housing

Social housing provides for a variety of housing services.

Recreational and Cultural Services

Recreation and culture is comprised of parks, recreation programs, recreation facilities, libraries and cultural services.

Planning and Development

Planning and development is comprised of planning and zoning, commercial and industrial development, residential development, agricultural and reforestation, and tile drainage and shoreline assistance.

Water and Wastewater Services

Water and wastewater provides safe drinking water and collects and treats wastewater.

Other Items and Corporations

Other items and corporations is comprised of the revenue from subsidiaries and items not related specifically to the other categories.

Notes to the consolidated financial statements December 31, 2012

16. Commitments

(a) The Municipality has entered into various contracts for equipment leases. The obligation over the remaining life of the leases are as follows:

2013	39,250
2014	39,250
2015	13,083
	91,583

(b) The Municipality has entered into several contracts for the provision of various services. The obligation over the remaining life of the contracts are:

2013	12,958,742
2014	12,192,751
2015	9,240,182
2016	9,433,812
2017 to 2018	25,404
	43,850,891

(c) The Municipality has entered into several other long-term commitments. The obligation over the remaining life of the contracts are:

2013	514,000
2014	514,000
2015	516,000
	1,544,000

(d) The Municipality has entered into an agreement to purchase the portion of the CSX railway located between the community of Wallaceburg and the community of Chatham. The obligation for the purchase is estimated to be approximately \$4,000,000 and will be finalized in 2013.

17. Budget figures

The approved operating and capital budgets are reflected on the Consolidated statement of operations and accumulated surplus for municipal projects. Those capital projects benefiting and assessed to landowners and developers, for example water, wastewater, drainage, and industrial lands, are not budgeted for. The budgets established for capital fund operations are on a project-oriented basis, the costs of which may be carried out over one or more years and, therefore, may not be comparable with the current year amounts.

18. Contingent liabilities

From time to time, as is common with other municipalities, the Municipality is the subject of litigation. In the opinion of management, any litigation outstanding, if successful, would not have a material impact on the consolidated financial statements.
